

CHAPTER 3

Kesehatan: Physical, psychological and emotional health

1. Redi is a patient at the doctor's. What parts of Redi's body are sick?

2. How long has he been feeling sick?

3. What does Doctor Budi use to check Redi?

4. What is Redi's problem?

5. What problems are causing Redi to be stressed?

6. Why does he always forget to clean his teeth?

7. Where will Redi buy his medicine?

8. What advice does the Doctor give him to stay healthy?

9. What does Doctor Budi tell him about smoking?

10. What does Redi answer?

What is your opinion about smoking? Elaborate and give reasons. Discuss in class.
